Say hello to Bodi.

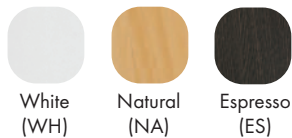

Comfort, design and fun all come together with perfect balance in our contemporary Bodi stools. Crafted of contoured beech plywood with a durable high pressure laminate surface for easy cleaning. The contoured seat offers exceptional comfort. Its unique shape allows for different sitting positions. The combination of wood with durable steel frames creates a stylish and sophisticated look for your break areas and community spaces.

Bodi Features:

- Beech Plywood Laminate Seat
- Upholstered Seat Available
- High Pressure Laminate Surface
- 7/8" Steel Frame
- Black Powdercoat Finish
- Some Assembly Required
