GATHER AROUND, IT'S COFFEE TIME

With its clean and minimal organic shape, as well as the combination of wood and fine metal details, the Hang Out coffee table has a classic Scandinavian expression.

Thin graceful legs attached to a slender metal bracket and sculptured rounded table top give Hang Out a light and airy profile.

Underneath the table top, a special bag is suspended across Hang Out's three legs like a hammock. The stylish two-sided leather and textile bag is perfect for storing small items.

With both a leather and textile side, Hang Out's bag can be easily swapped around to add a different expression to your interior
