Combining architectural style with must-needed comfort. Adjust Ogee to the perfect height and tilt and experience all-day comfort. When reclining the back automatically adjusts its tension based on the weight applied. The seamless connection between the backrest and arms allows for unmatched comfort **without constant adjustments.**

**Ogee Features:**

- Polypropylene Shell
- Aluminum 5-Star Base
- Upholstered Seat and Back
- 3" Contoured High Density Foam Seat
- Pneumatic Seat Height Adjustment
- Tilting Mechanism
- Dual Wheel Casters
