# VOODOO TABLES

Designed by Q Design, Chicago

VOODOO 48" Round Table

VOODOO Rectangle Tables in café and bar heights

# Mixing the warmth of wood with touches of metal

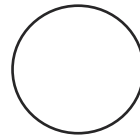

The Voodoo tables respond to the ever-growing need for light scale, multi-functional meeting and work tables. Large scale conference meetings are happening less frequently and casual meetings and co-working are becoming more prominent in the workplace. Voodoo meets those needs by providing standing and seated height tables that can accommodate a quick meeting or a longer group work session.
