ZOSO Designed by KFI Studios

You know when your eye catches something remarkable you just have to take a better look.

KFISeating.com

Zoso is oh so effortlessly comfortable, undeniably beautiful

The look of handstitched leather combined with sophisticated, simple lines makes Zoso an ideal addition to offices, waiting areas, conference rooms and really, just about anywhere. Aesthetically a winner, its true beauty lies in its comfort. The contour of the seat fits like a glove and the swivel action is effortless.

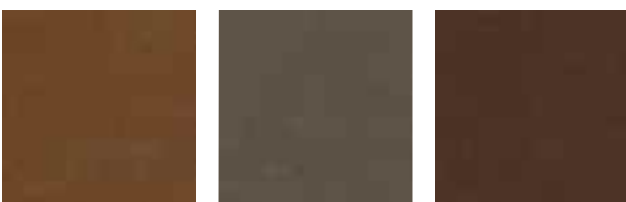

It's all about the details.
