

KFi STUDIOS

METRO

Metro is a simple, four-leg stool available in standard, counter, and bar heights. The angled legs in its steel finish can be paired with a steel seat for a monochromatic look, solid wood seat for a warmer aesthetic, or an upholstered seat for additional comfort.

FEATURES

- Available as stool, counter stool, and barstool
- Industrial steel frame
- Footrest on all heights
- Seat available as steel, solid poplar wood, or upholstered
- Upholstered seat available in COM or large selection of graded-in textiles
