

# KFi STUDIOS

## PROOF

The Proof pedestal table series is the definition of versatility and flexibility. With six base styles, four heights, and eight top shapes in various sizes, Proof can be combined in numerous ways to work in virtually any type of space - collaborative, dining, conference, and lobby. And with its clean aesthetic, the Proof table pairs well with any style. So you can easily mix and match finishes, bases, and tops for however you envision your space.
