ROQA | DESIGNED BY QDESIGN

Roqa is a classic shell chair that embodies a beautifully refined style. The simple forms of the rounded bucket seat and the tubular steel legs combine together to create a minimal look. Three base styles - four leg, cantilever, and rocker - ensures Roqa can find a spot in a variety of spaces. Give it a timeless feel in a neutral color or go modern with a bold color.

FEATURES

- Available in four leg, cantilever, or rocker base
- Powder coated steel frame
- Single piece plastic shell
- Optional upholstered seat pad; available in large selection of graded-in textiles or COM
