JULEP | DESIGNED BY ALEXANDROS STASINOPOULOS

The Julep chair welcomes you with open arms to sit in its stylish seat. The sculptural design is a single piece shell where the back flows naturally into the arms and seat. Its modern but playful style is a perfect fit for when a space needs that quintessential chair with personality. An upholstered seat pad can be added as a finishing touch.

FEATURES

- Fiberglass-reinforced plastic shell
- Curved armrest with cutout back
- Slight flex in back for comfort
- Durable steel legs with chrome finish
- Optional upholstered seat pad; available in large selection of graded-in textiles or COM
- Grey glides
- Stacks 4 high (excluding upholstered chair)
