ALDEN | DESIGNED BY UNION DESIGN

Alden is a versatile table for the modern workspace, giving you the flexibility to choose where you work. With its clean and minimalist design, Alden adds simple style and function to lounge and collaborative spaces. The C-shape design allows for working at sofas and lounge chairs while the built-in handle makes it easy to pull towards you or carry it wherever you need an extra worksurface. Alden can also double as a side table. Available in a steel top for a monochromatic look or wood top for added warmth.

FEATURES

- Offset column for overhanging chairs and sofas
- Integrated handle to easily pull table towards you or carry it to where you need it
- Top is available in steel with matching powder coat or plywood with high pressure laminate surface
- Satin powder coat finish creates a soft look and feel
- Durable steel construction
- Easily disassembled for recycling
- Packed flat to reduce environmental impact
