

# KFi STUDIOS

## DAILEY

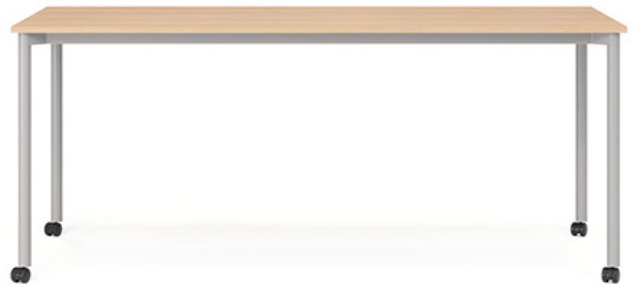

With its simple profile and small footprint, Dailey makes for a useful table or desk at the home office or in the workplace. The steel legs and apron can be customized from a select palette of colors while the top can be styled in laminate or solid wood. For further customization, add a power option to easily charge devices while working. Casters can also be added for when mobility is needed in spaces like training rooms.

## FEATURES

- Powder coated steel legs and apron in select colors
- Adjustable glides
- 1.25" thick top; square or rectangle shape in various sizes
- Top available in TFL laminate, HPL laminate, or solid wood
- Available in 5 quick ship Wilsonart TFL colors & 26 quick ship Wilsonart HPL colors. All other Wilsonart & Formica colors available with extended lead times.
