HUM | DESIGNED BY UNION DESIGN

Every workplace has a rhythm shaped by conversations, collaboration, focus, and connection. Together, they create the daily hum of work. The Hum table collection is designed to support that energy, offering a versatile family of tables that bring people together while softening the spaces they inhabit.

Spanning lounge, meeting, and conference applications, Hum can adapt for casual touch-down moments to high-performing collaboration spaces. A fully upholstered pedestal base paired with softly shaped tops gives the collection an approachable, inviting presence, encouraging comfortable interaction around the table.

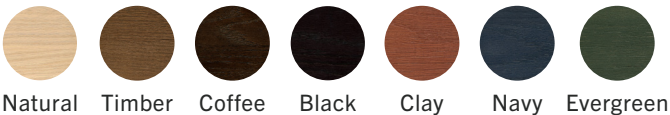

FEATURES

- Fully upholstered pedestal base available in large selection of graded-in fabrics or COM
- Available in two occasional heights: 16" & 20"; and 30" standard meeting and conference height
