ZANTE MINI | DESIGNED BY DAVID FOX

Zante Mini is a versatile guest chair collection offered in four base options: metal four-leg, solid ash wood four-leg, four-star swivel with casters, and five-star swivel with casters.

Defined by its softly curved profile and tufted-like seat and back, Zante Mini features a continuous wraparound arm that creates a comfortable, cocoon-like feel. Caster base models provide smooth 360-degree swivel, with the five-star base also offering tilt and height adjustability for added flexibility.

FEATURES

- Available in four bases: metal 4-leg, wood 4-leg, 4-star caster, and 5-star caster
- 4-star caster base with 360° swivel
- 5-star, height-adjustable caster base with 360° swivel and tilt
- Wood base made with solid ash wood
